Suggested plan of action

Overview: November 30, 2021

Map Focus: Assembly

Regional Focus: South/East LA County working southward to OC, San Diego.

- Focus: What changes are PRIORITIES, what changes would be nice if possible?
 - **Focus first on VRA districts in LA County**, once confirmed and generally agreed upon these serve as “anchors” and we can start to address other priorities - mappers Jamie/Sivan could work on clean up of non-VRA areas on Wednesday offline and present options to us on Thursday when we come back to this area.
- Time allocations:
 - ~3+ hours on LA County
 - ~2 hours on OC, San Diego
 - Take public comment at 5:30pm
- **Before we leave today...**
 - Identify the key changes we have agreed upon
 - Document the list of priorities that we are giving to mappers to work on offline
 - Be prepared to return to LA/So Cal on Thursday (District Viewer will be updated by Thursday at 8am)

Regional Priorities

As captured during our conversation on Monday Nov. 29, 2021

Los Angeles - Priorities

- **VRA Districts (mostly all)**
 - **Gateway Cities** (Toledo, Akutagawa)
- West San Gabriel Valley/National Forest, particularly in congressional map (Kennedy, Taylor, Vazquez, Yee, Akutagawa, Sadhwani)
- **NELA** (Vazquez, Toledo, Sadhwani)
- **Lawndale/South LA** (Yee, Vazquez, Sadhwani)
- **Border between LA-OC** (Taylor, Vazquez, Toledo, Sadhwani)
- Simi Valley/Moorpark/San Fernando Valley (Taylor, Akutagawa, Yee)
- Long Beach (Toledo)
- Van Nuys/Sherman Oaks - POSO (Yee)
- Malibu - Council of Governments (Kennedy)
- Split in West Hollywood (Kennedy)
- NOHO/Toluca Lake? Did anyone raise that in their priorities? My thoughts were that this is a priority list, not an exhaustive list. These other areas will certainly come up, but may not take precedence over other areas. What do you think?

Assembly Priorities - Southern CA

- **VRA Considerations** (mostly all)
 - VRA considerations specifically in OC (Sadhwani, Toledo)
- **Border between LA-OC** (Taylor, Vazquez, Toledo, Sadhwani)
- **North and East County San Diego** (Kennedy, Sinay, Sadhwani)
- Coachella Valley - how to clean up the COIs while maintaining VRA district (Kennedy, Sinay)
- OC Coastal Interests (Akutagawa)
- San Bernardino and Riverside in a district is problematic (Kennedy)
